## 1960s Music Bingo

### Instructions

Print a bingo card from the options listed.

The music playlists for this game are on the [Caregiver's Corner](#) music page and are also on the McCormick Care Group [YouTube](#) page.

Play the music from the playlist. You can play a portion of the song or the complete song.

As player identifies what song is playing, look at the bingo card and see if that song title is on the card. Note that not all song titles will be on the card.

Mark the song title with a coin, button or pencil/marker.

Once a player has one line or any classic bingo formation (two lines, full card), holler BINGO!

Enjoy the music! Sing along, dance, and reminisce. For an added challenge, players can try to name the artist.

A complete playlist can be found on the last page of this document.
